## BOOK CLUB

Our very second and last book of the year will be:

The Vegetarian - by Han Kang  
(Fiction, Drama).

It's another short novel; it's only 166 pages long (shorter than the previous one, Mothering Sunday!). There are six copies available at Princeton Public Library, and seven copies available at Mercer County Libraries.

Even though it is a short book, you may be too busy to read it. In that case, you may simply read the summary plot from the Internet and casually stop by for a light discussion! (We do encourage you to read the book though!)

This is a baby/toddler/child/youth friendly event! (Meaning, you can come with your children! I have a toddler myself, and she will be there.)

We will meet at the PRINCETON PUBLIC LIBRARY, 3RD FLOOR\*. There are tables on the right side of the library (facing the library from the fish tank), we will have our discussion there (we can be loud and kids can move freely!). We hope to see you there!

Tuesday, June 26

11:45 am - 12:30pm
